

Window FLASHING PROBLEMS

PANEL OF EXPERTS:

Pete and Jim Cruz [Fenestration Testing Laboratories]
Michael Roberts [California Plastering Consultants]
Allen Zeigler [Fortifiber]
D.J. Farley [Dupont/Tyvek]

- window product considerations or installation failures with three-coat portland cement plaster assemblies
- expansion/contraction of vinyl windows within stuccoed walls
- separation gaps between the vinyl window frames and the abutting stucco system
- non-compatible window sealants with popular window or waterproof flashings
- water infiltration leading to premature window failures
- products used to prevent common problems around windows, doors, and other penetrations.
