

OUR PURPOSE

The objective and purpose of the Lath & Plaster Committee of The SMA is to promote the installation of quality stucco through education and training of contractors and the building industry.

RESOURCES

As a member you will have access to information on technology, products, processes and markets as well as current legislation, regulations and other factors which will improve your business such as:

- Legal Council
- Up-to-date OSHA requirements
- Human Resources management
- Code requirements
- Specifications
- Industry standards
- Workmanship
- Reputation
- New product awareness
- Legal obligations
- Safety
- Insurance

In addition, the L&P Committee will aim to educate the construction industry regarding its membership and goals with presentations to architects and builders along with articles in trade publications.

BENEFITS OF MEMBERSHIP

**Increase Your Profits through
Networking & Education**

PUBLIC RELATIONS

The Lath & Plaster Committee of the SMA actively promotes the stucco industry and its members through a variety of means, such as:

- Newsletters
- Press Releases
- Trade Journal Articles
- Membership In Related Associations
- Community Involvement
- Trade Show Participation
- Networking Opportunities
- Annual Golf Tournament

PLASTER COUNCIL

The goal of the Plaster Council is to be a unifying force that reaches out to all trade organizations in the stucco industry. The Plaster Council helps SMA's work reach a broader audience, ensures the SMA is meeting the needs of the industry and improves the ability of the industry as a whole to represent its interests; thereby reducing confusion and presenting a consistent and unified position to the building industry on various issues.

RECRUITING

Lath & Plaster Committee Members receive full membership in the SMA and are able to attend all SMA meetings, help guide industry policies and will work with other industry professionals.
