

## WHO WE ARE

SMA is a non-profit 501(C)6 trade association comprised of the major manufacturers of stucco in North America, their related suppliers and applicators. Since 1957, SMA has been actively engaged in promoting the products manufactured by our members while holding the high standards our members have come to expect. Our members are the leaders in the building industry and committed to maintaining the highest levels of product quality, business ethics and professionalism.

## OUR GOALS

The Stucco Manufacturers Association will advance the knowledge of and promote the use of integral colored stucco and related products through a variety of resources available to our membership:

- Technical Papers
- Stucco Resource Guide
- Educational DVDs
- Seminars
- Trade Publications
- Trade Show Participation
- Web Site & Links
- Government Relations

STUCCO MANUFACTURERS ASSOCIATION

**EDUCATING**

**INFORMING**

**NETWORKING**

SMA is here to serve your needs.

## EDUCATION

Our primary emphasis is to educate the United States building industry on the benefits and advantages of using stucco. The SMA targets the decision makers who are leaders in the industry. It is the responsibility of the SMA and our members to provide them with solutions they need to achieve their vision and build high performing structures now and into the future.

### The industries we reach:

- Architects-CES
- Builders & Building Officials
- Color Consultants
- Inspectors
- Interior Designers
- Plastering Contractors
- Building Material Suppliers

## BENEFITS

As a benefit of being an SMA member, you are part of a national organization that promotes stucco applications and its applicators. Our members can count on a number of benefits designed for their professional betterment and the good of the industry.

- Legal Council
- Up-to-date OSHA requirements
- Human Resources management
- Technical Papers
- Educational DVDs
- Networking & Educational Meetings
